Subject: Dress Code & Uniform Policy Question
Date: Friday, March 02, 2018 8:59:45 AM

[External Email - Be careful! DO NOT open attachments or click links from unknown senders or unexpected email.]

PUC members,

We are working on updating our District's Dress Code and Uniform Policy and would like to see what others have in place. As with most of you, we have both office and plant/field employees. It would be great to see how water/wastewater and other utilities address dress code and uniform requirements. Additionally, we are looking for how utilities include language for time allotted for showering by plant/field employees, cleanliness of dressing, personal hygiene, fragrances, tattoos, piercings, and safety considerations.

If you'd reply to this email, I would appreciate it.

Thank you!
